KOSH LAKE NEWS

Seasons Greetings!

The LKRA Board would like to wish all our members and their families the happiest of holidays. However you celebrate this time of year, for most of us, getting together with friends and family is the best part! We hope this holiday you will think of our wonderful lake and your friends here, and enjoy reflecting on the memories you made in 2024.

We continue to focus on preserving our lake environment so look for lots of information we will be sharing next year. In the meantime, as you ring in the new year and make your new year's resolutions, please consider making one that involves our lake environment and support of the LKRA. Perhaps it will be having your septic system pumped/inspected, creating a natural shoreline, or getting rid of your lead tackle.

All the best to everyone!

Jennifer Cummings, LKRA President
